

IDEAL TRAVEL BAG

At anchor the boat is equipped with a heater, however when sailing, it can be very cold. You should bring warm, comfortable clothing that dries easily. We provide linens.

“Travel light = Travel well”.

You will realize that in the reality of life on the edge, you will not change yourself much.

PLEASE NOTE: Suitcases are prohibited on board. Take a soft travel bag, easy to store in a trunk.

THE IDEAL “COLD COUNTRY” TRAVEL BAG:

(the principle of three layers)

Two underwear (top and bottom, Damart style)

1 pair of warm ski pants

1 pair of thermal lined pants

Two fine sweaters/fleeces

1 or 2 thick fleeces (pants and jacket)
